CRF Process

Household contacts agency from UWDC website (www.unitedwaydenton.org/COVIDrelief)

Agency screens household for eligibility, enrolls household in HMIS database and requests required documentation

Agency completes application and submits required documentation

UWDC staff review and approve/deny applications by majority vote

Agencies make payment to vendor and submit for reimbursement from UWDC

Connection to Appropriate Resources

If household is not eligible for CRF assistance, UWDC staff advise agency to submit application to the **Denton County Homelessness Barriers Fund**.

If a request is submitted for a bill or cost that may be covered by an alternative funding source, like a utility bill, UWDC redirect agency staff accordingly.
